STANDARD OIL AND JOHN D. ROCKEFELLER

MUST STAND TRIAL IN MISSOURI, SAY FOUR FEDERAL JUDGES. RESIDENCE NO BAR.

Special to the Herald.

St. Louis, March 7.—The Standard Oil company and John D. Rockefeller must stand trial here, is the effect of a decision rendered today by four Federal judges.

It is held by the decision that the defendants in the government ouster suit against the oil trust can be brought to St. Louis for trial without regard to what part of the country they have their legal residence in.

The opinion was written by Judge Sanborn, Judges Hook, Adams and Vandeventer concurring.

In all there are seventy defendants, including Rockefeller, Rogers, Flagler and six other trust managers. Sixty-one companies are connected in the suit, being the Standard Oil and subsidiary companies. The Waters Pierce company is the only one of the number having a legal residence in this State.

WAS INSANE BUT IS SANE NOW

IS THE PLAN THE DEFENSE HAS MAPPED OUT IN THAW CASE. EXPECT TO WIN.

Special to the Herald.

New York, March 7.—Thaw's attorneys expect to prove by Dr. Hammond and Keddie on Friday that Thaw was insane from the time Evelyn Thaw told him her story in Paris until some time subsequent to the killing of White, and therefore can not be held responsible for his acts in the shooting. Thaw has recovered his mental equilibrium and can not now be confined in a madhouse.

The defense considers that it has already proven that Thaw was insane at the time of the shooting, and will now try to prove that he is sane at the present time.

Thaw Pleaded.

Special to the Herald.

New York, March 7.—"I am glad to hear it," exclaimed Harry Thaw when told of the verdict in the Strothers brothers murder case. "I would like to tell you how glad I am, but the lawyers will not let me."

This was Thaw's comment when told that James and Philip Strothers had been acquitted of killing William Bywaters in Virginia.

The Strothers pleaded the unwritten law.

Calpepper, Va., March 7.—The Strothers' murder case went to the jury this morning at 10 o'clock. After being out less than one hour, the jury returned a verdict of not guilty. The Strothers brothers were charged with the murder of William Bywaters.

Judge Harrison said to the jury, after the verdict had been rendered:

"Gentlemen, I am glad to hear you say that the chastity of our women is to be protected, and that no punishment shall be meted to those who deal with a man who invades the home. I have no censure for your verdict. Go to your homes. I hope you will find them as you left them."

Special to the Herald.

Kites Hammock, Del., March 7.—With a reward of \$25,000 offered for the safe return, and another of \$10,000 offered for the return of the dead body, hundreds of people today resumed the search for Morace Marvin, the 4-year-old son of Dr. Marvin.

THE MAN

WHO appreciates good clothes, it is part of his satisfaction to say: "My Clothes Were Made to Order." It is his satisfaction to feel that he is directly in touch with the latest styles and conceits of the Season's Fashions. For one to feel that he is wearing clothes made up six months ago, perhaps longer, is not satisfying, or even to find that he has paid nearly twice as much for his clothes as his neighbor, and then find them no better. Take the time to step in and see the splendid values we offer. No assortment of Spring and Summer Woolens as large, as good, or as attractive, can be found elsewhere. Whether you purchase or not, courteous and painstaking treatment will be accorded you. Give us a trial.
